MEMORANDUM FOR: The Director

SUBJECT : Suggested Topics for NSC Intelligence Briefings

1. Venezuela, Columbia, Brazil (The White House staff will advise us as to whether the President wishes such a briefing for the next NSC meeting.)

2. Soviet 20-year Plan -- industrial and agricultural -- an appraisal of its chances of success and the likely impact on Europe and the underdeveloped areas.

3. The 22nd Party Congress with emphasis on the new campaign against Stalin and his remaining followers, Khrushchev's position as a leader, Soviet-Chinese relations with China, and the impact on the European Satellite parties and the major parties in the Free World.

4. Soviet aid and trade programs, both military and economic, in the underdeveloped area. This should be deferred until completion of a recently scheduled NIE.

5. Baltic problems arising out of the Soviet demands against Finland but including Swedish initiatives and the problem of the German-Danish Baltic command.
